

# THERE'S A BETTER WAY TO MANAGE YOUR LODGING PROJECTS

## SIMPLY BETTER LODGING

### YOUR PROBLEM

Your company spends too much time and money on travel management. You need viable hotel and corporate apartment options. You're sick of sorting through incorrect invoices from hotels and getting those late night calls about lodging. Ever thought there would be a way out of this mess?

### HOW WE'LL HELP

Here's your chance! We've booked over 13 million traveler nights for our clients, providing them with lodging accommodations and the coded, consolidated bills they need to run their travel projects efficiently.

We'll show your company how easy travel management can be with hotel rate savings, faster billing, and friendly service. CLS™ has already made a huge difference; our clients

can back us up on that, too! For example, one client had this to say about our services: "Creative Lodging Solutions® has been an incredible resource. They always come through when I need them, and the staff is top notch. Not only have they saved me time and aggravation, but our accounting department loves them too. I can't imagine doing business without them at this point, and I don't remember how I ever did."

### HOW WE DO IT

CLS handles all aspects of your lodging management. We negotiate rates, set up billing with hotels, and send your company one easy-to-read invoice. Our hotel partnerships ensure low rates and friendly hospitality services for your road warriors. You're in control of your travel needs: we're just here to help you get there.

## HOW IT WORKS
